

Personal Tax Trainee  
WMT St. Albans

Qualifications:

A Levels or Degree

Role:

Personal Tax Trainee with an established 8 partner practice, which arises due to expansion of the Tax department. Once trained the individual will be responsible for assisting the rest of the team with compliance issues and eventually allocated their own portfolio of clients to act for.

The portfolio of clients will include sole traders, partnerships, employed individuals and those with rental properties.

The Candidate:

We are looking for someone with a strong academic background and an eagerness to learn for what we believe to be a varied and interesting role within a professional environment.

Encouragement and support would be given to study for the ATT Qualification.

The office is a busy and happy working environment and the practice has ambitions to grow with opportunities for the right person to develop their skills and grow within the business.
